

ADVANTAGES OF CENTRAL DEPOT LOCATION

1. Large Receiving Dock
(4 truck capacity) other docks available
2. SPB Adjacent to Receiving Dock
(convenient for inspecting, payment, etc.)
3. Materials Handling Equipment
readily available (forklifts, etc.) used daily
4. Packing and Crating Services When Needed
(cargo shipments comprise 27 percent of SPB overseas shipments)
5. Convenient to Freight Traffic Branch for Rapid Customer Service
(Forty-five percent of SPB business is for local delivery)
6. Daily Delivery of APO Shipments to Post Office
(Sixty-three percent of SPB overseas shipments go via APO)
7. Interchangability of SPB Personnel with Other CD Components
(training for "S" careerists)
8. Technical Assistance Readily Available
(OTS, OC/T&I Shops, office machine, safe shop, automotive mechanic, etc.)
